SMALL PROJECTS

MY PORTFOLIO

My personal portfolio demonstrates my knowledge particularly in HTML and CSS.

Link: <https://dnr-gran.github.io/>

SIMPLE DIGITAL CLOCK

A simple project built in ReactJs, it shows how a project in ReactJS is organized and the use of React hooks like *useState* e *useEffect*.

Link: <https://digital-clock-rjs.vercel.app/>

SIMPLE STOPWATCH

A stopwatch built using JavaScript basic knowledge like building function and the use of built-in methods like *setInterval* and *clearInterval*.
